Trainee Bridge Fund (TBF) – Application Questions

Applicant Information

1. Summary - Provide a summary of your application in plain language, highlighting your career plan, project objectives and proposed training environment (**max. 100 words**).
2. Career Path - Provide an overview of your career path to-date and describe your intended trajectory, including any concrete plans after completion of the Bridge Program (**max. 500 words**).
3. Relevance to research in human milk and lactation - Describe how your career goals relate to the advancement of the field of human milk and lactation research (**max. 350 words**).
4. Learning objectives - State and justify the learning objectives you aim to meet by completion of the proposed project (what do you want to learn and why; this question relates to your career development NOT the objectives of your project) (**max. 500 words**).
5. Evaluation - How do you intend to evaluate achievement of the learning objectives (**max. 200 words**)?
6. Non-academic and non-research skills - State which non-academic non-research skills you currently have that assist you in excelling in a new environment. Comment on how you developed these skills (**max. 150 words**).

Project Information

1. Describe the proposed project in detail
2. Background and rationale (**max 500 words**)
3. Hypothesis, objectives, specific aims (**max. 200 words**)
4. Approach and timeline (**max. 750 words**)
5. Significance and innovation (**max. 200 words**)
6. Anticipated outcome and future direction (**max. 200 words**)

7. Budget justification (**max. 200 words**)
8. Expected deliverables from the proposed project (e.g., academic presentation, peer-reviewed article, program development, etc.) (**max. 150 words**)
9. References (maximum 10)

Environment

1. Expansion Location - Justify your choice of hosting institution and/or supervisor (why did you choose this particular hosting institution and/or supervisor?) (**max. 250 words**).

Complimentary Funding

2. Please state and list, if you have been awarded or have pending financial support or support in kind from other sources for planned travel expansion program.
